

# DRAMA-LAB

## WHAT YOU TAKE HOME WITH YOU :

Rediscovery of one's communication capacities

Elements to improve one's audience

Analysis of one's attitudes and one's own creativity

## CREATIVITY AND COMMUNICATION

The educational techniques connected with theatre and arts in general are the language to refer to for this kind of associative events. We take attentively care of non verbal languages and urge on one's own creativity recovery. Experts in communication psychology take part to the sessions and the creative game can

be taken back to the business atmosphere and become integral part of a marketing action and selling enterprise. Such experience has also a great value in breaking the ice with the little-known colleagues and creates an informal atmosphere with clients.
